Well there was even the time we went driving and I got totally smashed off my ass and pulled my underwear up over my head. Tradition was broken again. For the second year the administration refused to let the yearbook class have the traditional yearbook dance. This year the yearbook class decided to have a spring book with a Fall supplement. This was the first time in MacArthur's history that this has ever happened.

Having a spring book meant that the yearbook staff, made up of 26 people, would all have to work hard and work together to meet their early deadlines. Having the flood didn't help them much either. But finally, they worked out the rough spots and finished the book.

October 24, 1986, Homecoming, a special event for everyone who participated. Rani Ghose was chosen Queen. Pam Murphy was First Attendent and Missy Wagner was chosen Second Attendent. The rest of the court included Corby Westwood, Tara James, Sook Cho, and Janet Symons.

Student Congress put on "Spirit Week" and some events included "Pajama Day" and Volleyball games "Dress Like Your Favorite Teacher Day", "Sweats Day", "Dress up Day" and the Caping Assembly, and "Blue and White Day".

The football team won an exciting 26-0 victory over top rated Chesaning. At halftime, Rani Ghose was crowned by the 1985 Homecoming Queen Lisa Lichon.

The Senior Class won the annual float competition.

Couples gathered in the Kiva and from 10-1 danced to the music of Sound Machine II. "Dream On" by Aerosmith was chosen for the theme.

DESTINY

Destiny is no matter of
chance.
It is a matter of choice:
It is
not a thing to be waited
for, it is
a thing to be achieved.

National Honor Society

The members of this years National Honors Society were no different from those of the past. Each year the participants are chosen for his/her outstanding scholarship, leadership, character & service. The qualifications for membership are difficult to meet, being that one has to have a 3.35 g.p.a. as a junior or senior & rank within the top 10 to be inducted as a sophomore. When a student meets these standrds, they must be voted into the club by a group of teachers selected by Mr. Strautnieks.

NHS prides itself on the many service projects they are involved in to benefit the community. One such project is the annual Halloween party that was thrown for neighborhood kids on Oct. 30th in the kiva. Everyone involved worked hard to make it a fun-filled night for all.

NHS members & its officers: (President) Rani Ghose; (Vice-Pres.) Sook Cho; (Secretary) Heather Perea; (Treasurer) Corby Westwood; (Chairperson) Kathy Majoros & Advisor Ms. Remer.

Musical Wave

Tri-M is a merit based music honor society. It's basically honorary in nature and membership is based on music and academic grades. Tri-M is made up of band and choir members.

Tri-M has sponsored a trip to the Midland Center for the Arts to see "Fiddler on the Roof", worked concession stands at football games, and helped at the Christmas concert.

The director is Mike Vierow. The officers include: President, Jill Newsted; Vice President, Elizabeth Hales; Treasurer, Angela Conrad; Secretary, Barbara Krause; Historian, Heather Perea.

The band brings spirit to the pep assemblies and at most of our home games. The band is also involved in a Christmas Parade, Christmas and Spring Concerts and a combined program with elementary and middle school musicians. Mac Arthur and Eisenhower bands performed in Lansing and at the Capitol. They also entered State solo and ensemble competitions.

The Douglas Mac Arthur Choir sings at nursing homes, Christmas concerts, and honors banquets. They also sang at the capitol with Eisenhower. They sang at graduation and Baccalaureate.

Foreign Visitors

The 1986-87 school year brought us three foreign exchange students who caught the plane to the U.S. They came here to the U.S. through two different programs, the Educational Foundation for Foreign Study and Youth for Understanding.

"The U.S.A. has always been my biggest dream," said Susan A. Jaatinen, a 12th grader here at D.M. Susan belongs to our school Drama Club, French Club, and enjoys singing in the choir.

Claudia Hienze, a 12th grader also, is from Hamburg, West Germany. She commented that her school system is different from ours, because she has 13 years of school and each year she has 12 subjects with only 6 tests in each.

Eileen Holleland likes America because of the people and how friendly they are. Eileen is a 12th grader at D.M. and is now living with the Bennings.

Science

The science classes at DM have always been enjoyed by many students. Not only is Biology I, Chemistry I, & Physics I offered, but second year classes in each, along with Environmental Science are available in the curriculum too.

Students get first hand experience in lab & classroom discussions that helps to prepare them for college. Although it may be difficult at times, it is really to one's advantage to participate in the science program.

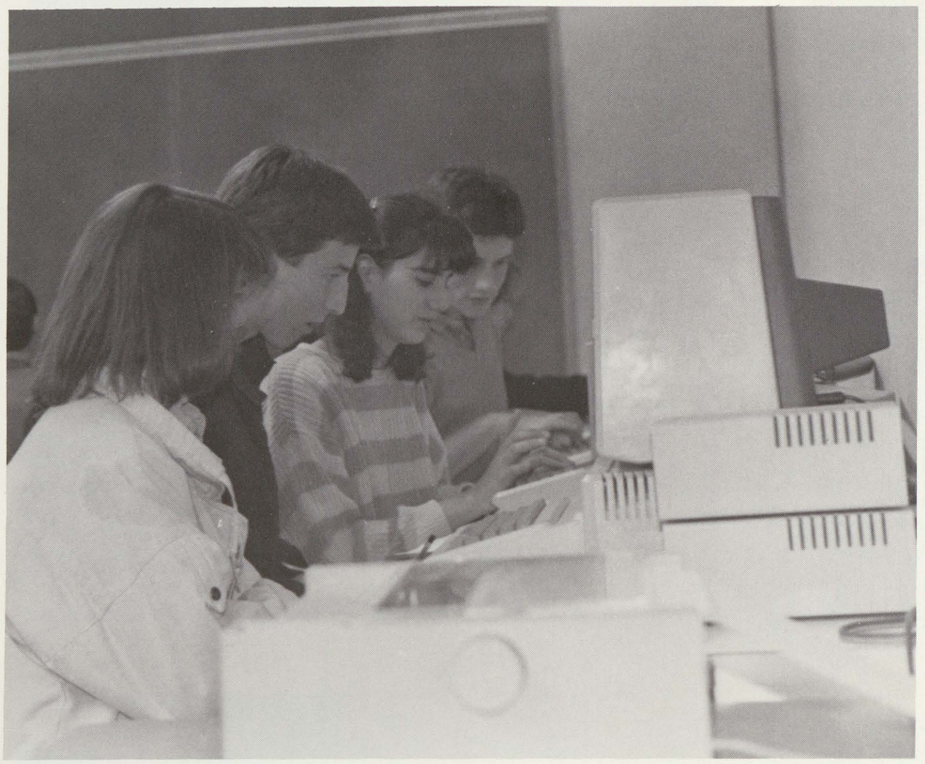
Business



Are these 'computer whizzes' ready to be let loose in the corporate world?

Computers, typing & marketing are examples of our business classes at MacArthur. Skills learned in these classes will help students not only in college, but later on in life too. Teachers have even helped those who excel get jobs by referring their services to job placement counselors. This gives young people a chance to become involved in business at an early age so that they can experience a certain job as a possible career.

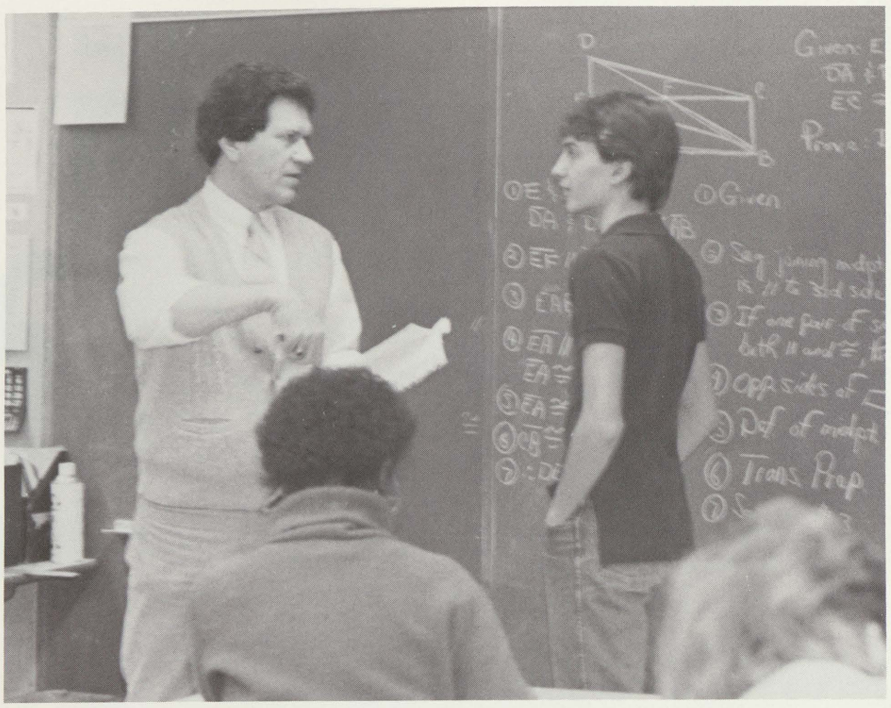
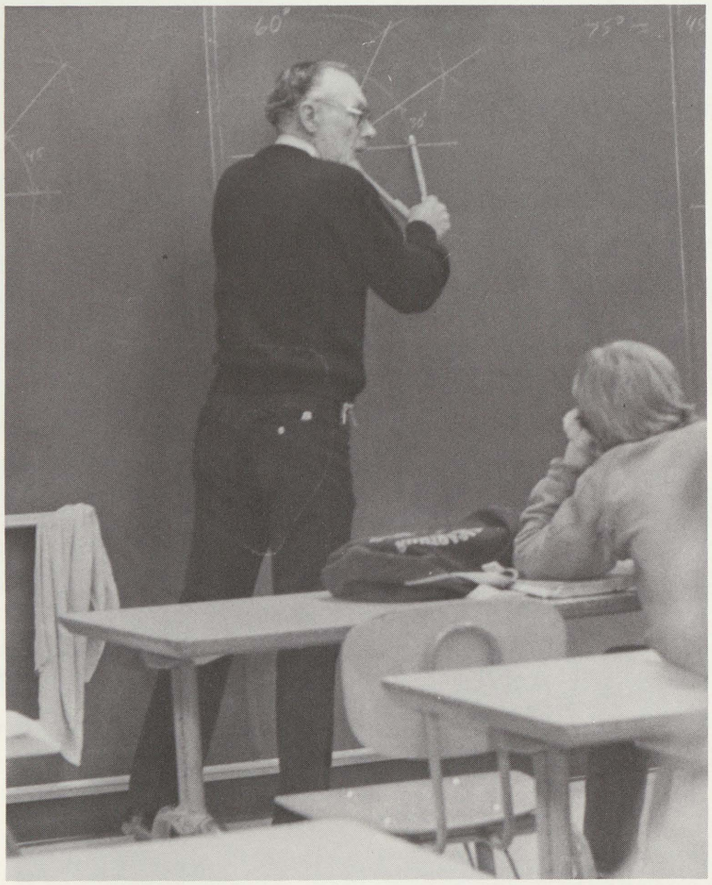
Mathematics



Mr. Wenzel shares his knowledge on quadrilaterals!



Mr. Allington draws an angle of "Mickey Mouse" difficulty!

MacArthur offered a large selection of mathmatical classes in the '86-'87 year. Honors Algebra II Trig, Fundamentals of Advanced Math and Pre-Calcus are just a few of the many choices. The majority of students take an Algebra class as a Freshman, Geometry as a Sophomore, Algebra II as a Junior & Fundamentals of Advanced Math as a Senior. Each year, honor students are eligable to take The Michigan Math Prize Competition Test. This year, Sophomore Sue Ahn was a second year qualifier of the top 1000. This entitles her to take a second part of the test. If she ranks within the top 100 scores, she & other students will win prize money. Good Luck to All Involved!

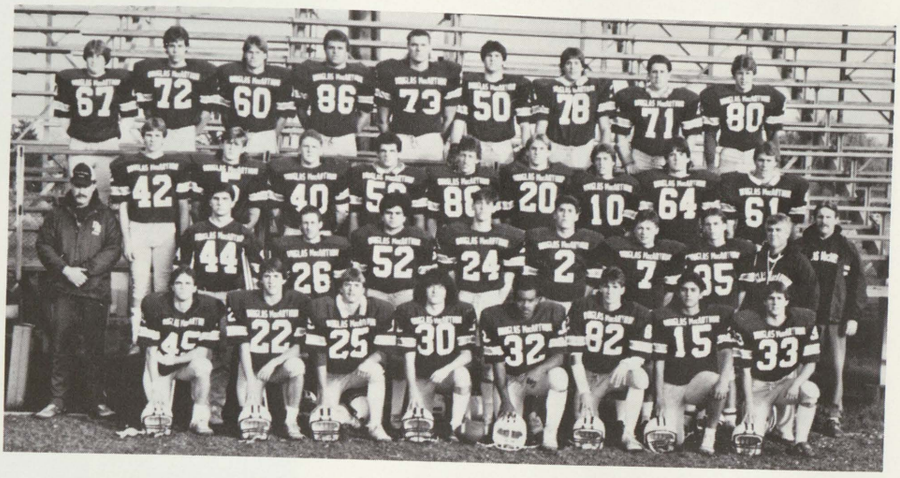
DM All Area Champions



The football Generals of Douglas MacArthur experienced another successful season winning seven games and losing two. They were crowned as Class B Area Champs and runners up to Playoff bound Class A John Glenn in the conference.

The strong point of the team was an aggressive defense lead by All Conference selections Jim Metevia, Tom Podsiadlik, Chris Klein, Terry Carpenter, Troy Kennelly and Eric Arlt.

The highlight game of the season was a 26-0 thrashing of then area leader and undefeated Chesaning. This win made for a highly successful Homecoming.

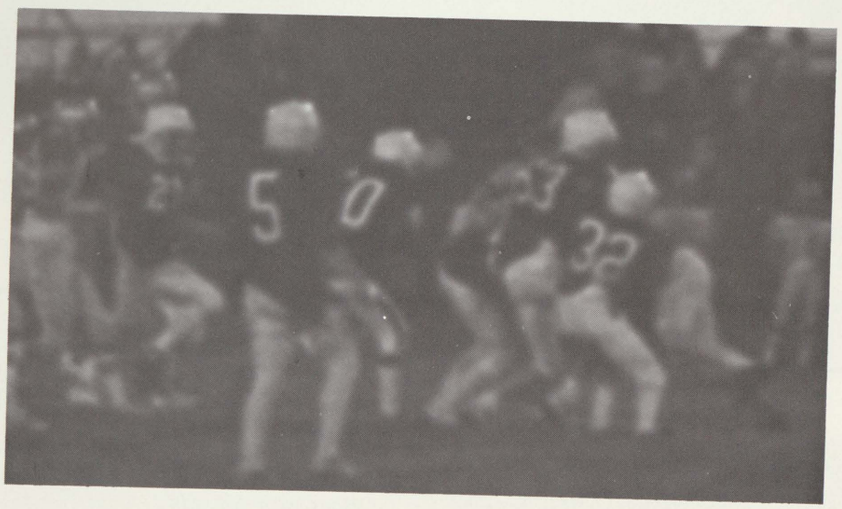
The Junior Varsity Football tea
had a sup-par year finishing with a
6 record. Coach Tom Boyd's "Litt
Generals" started off the seaso
with a heartbreaking defeat at th
hands of the Nouvel Panthers 12-1
The next three games saw the J
team soundly defeat their three op
ponents with an overwhelming mar
gin of 97-0, the highlight of the sea
son being the 22-0 defeat of the
Eisenhower Commanders. However
this would be the last victory of the
season for Coach Boyd and his JV
squad.



The Freshman Football team had a great deal of trouble as they tried to put together a winning team. None of them have ever played on a team before, which gave coaches Gerard and Garza a lot of work to do.

The talent was there but there was lack of heart and spirit.
They simply didn't play as a team, and as a result their final record was 0-8.

One thing you have to remember, the last Freshman team to go winless all season was sitting in the Pontiac Silverdome only a few short years later representing us in the class "B" State Championships.

A Great Winning Season! For A Great Team!

Chris Klein Set School Rebound Record!

With only two games & Distric Tournaments to go the Varsity Basketball team had a 12-6 record. The team played hard & worked together all season long. On Feb. 20, the guys pulled together to narrowly escape Bridgeport, who had beaten them by 19 points in their first encounter. The IKE game also proved to be exciting events, but unfortunately, loyal "General Fans" saw their team come up short both times. This year the varsity Generals set 2 school records, one being most points scored in a game, 95. This was achieved twice, John Glenn and Chesaning. The other being most points scored in a quarter, 33. This against John Glenn also. Senior Chris Klein set two individual records. One being most rebounds in a career, and the other being most rebounds in a season. Congratulations on a fine season & good luck at Districts.

Girls Varsity Basketball

The girls Varsity Basketball team ended with a winning season of 15 wins and 7 losses. The girls had a strong season led by three senior returning varsity starters: Chris Groll, Jenny Boswell, and Kris Call. Three sophomores, one junior, and two more seniors rounded off the team.

Ending the season with a loss to Mt. Pleasant, the DM girls beat Bay City Handy in the District Semi-Finals. They played BV in the finals and lost to them after a hard fought final game.

D.M. Guys Body Surfers

The 1986-87 edition of MacArthur's Men's Swimming Team did an outstanding job although they lost 12 seniors from the year before. In spite of having a rebuilding year, the Generals went 10-4 and finished second in the prestigious Tri-City Championships.

Seniors Luke LaGorin, Dan Braun, Dan Kanitz and John Ross carried a big load for MacArthur and were instrumental in the teams success.

Juniors Jeff Parker, Rob Ahrens, and freshmen Brian and Jeff Basil provided much needed depth to carry on the MacArthur tradition of excellent swim teams.

Catch Our Wave!!!

The Douglas MacArthur Girls Varsity swim team has done it again. For the second year in a row they have gone undefeated and captured the coveted Tri-City Championship Title.

Although the Generals will be losing four outstanding seniors: Captain Kathy Majoros, Amy Hess, Dawn Huffe, and Kathy Frick; they have gained five new freshmen: Jenny Kenelly, Brandy Chinery, Kari Hecker, Linda Klump, and Stacy Ross. This year the Lady Generals defeated all of the teams on their schedule under the great coaching of John "Muzz" Musulin.

This year five girls qualified for State in swimming and one in diving. Those girls are: Captain Kathy Majoros, Amy Hess, Justine Comtois, Amy Toft, and Courtney Graft in swimming and Stacy Ross in diving. The most improved swimmer of this season was Kathy Frick. The Coach's Award went to Justine Comtois who also won the Raymond Hart Award. Next year's captains will be: Justine Comtois and Amy Toft.

A Rough Season

Goalie Brian Mortimore prepares for an oncoming shot.

The Douglas MacArthur hockey team struggled through a rough season this year. The team was hard hitting, tried 100% and was respected for their effort. Captain Pat Curry quoted, "although we had bad standings, we physically won this year." With only one game and State tournament left the General skaters have an over all record of 2 wins, 14 losses and 1 tie. Despite the bad season the Varsity team skated past rival Eisenhower. Due to early deadlines the team picture was not available for printing.

Swinging For DM

The Boy's Varsity Golf team finished their season with a 9-2 record. Highlights for the season were third place finishes in both the conference and regional tournaments. In the State Tournament the team finished a very respectable tenth place among all Class B High Schools.

"The weather was a key factor in our performance this year," commented Ron Steltner, MacArthur's Varsity Coach. "The players thought they should have done better" he said. Considering the amount of days lost to the rain and flood conditions the Golf team had a very good year.

Vince Mosca led the Generals with a low average of 83. Drew Donnelly with an 83.6 average and Darrin Osborne and Tom Hopper with 85 season averages led the DM Golf team.

The J.V. Team ended their season with a 4-3 record. Special honors went to Jay Wachowicz and Scott Miller.

Team Lacks Intensity!!!

The varsity volleyball team ended their season with a 9-3 White Pine Conference record and a 23-11 overall record. At times this team played well enough to beat anyone, but at other times they beat themselves. Highlights of the season included winning the annual Laker Invational, placing 4th at the Tri-County Invational, and twice beating cross-town rival Eisenhower.

This year's team played with 8 seniors, 4 juniors and they were captained by Lisa Ureche and Chris Groll. Due to early deadlines team awards are not available, also conference awards are not available. The yearbook staff wishes the varsity team the best of luck at districts on March 7, and the best of luck to those who continue to play volleyball at college.

Strong Seasons For Volleyball Teams

The junior varsity volleyball team ended their season with an 8-2 White Pine record and an 18-17 over-all record with 2 ties. They participated in 5 invitationals, making it to the semi-finals twice and the quarter-finals twice. Coach Elmer Schulz felt that there were no personality conflicts and the girls got along very well. Mr. Schulz felt that he had a special team this year and he was very pleased with their improvement throughout the season.

The freshmen team showed much talent! Although they had a limited practice schedule, they were undefeated in the White Pine Conference. The excellent season can be attributed to the fine team play and effort of all the girls. Each player improved 100% throughout the season. The players and coach would like to thank Mike Ziozios for his help as manager throughout the season.

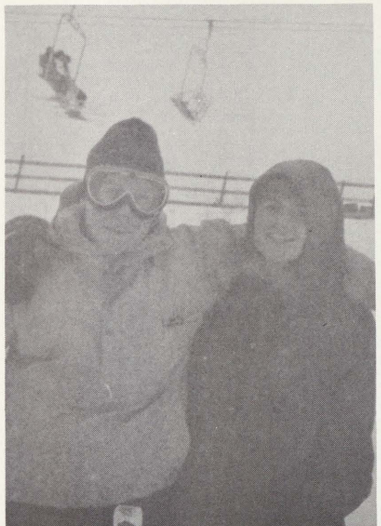
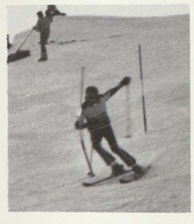
S-C-H-U-S-S Down The Hill

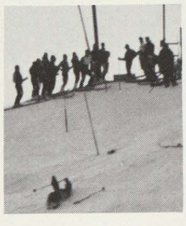
Julie says, "Do you think these pants are too tight?" Matt says, "Are you kidding?"

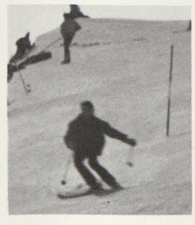
We aren't as dumb as we look.



Hey Dude, where's the hill?







The boys and girls started the '86 season with a new coach, Pam Durand. This year seven out of nine boys received varsity letters. Hard work and dedication paid off for Casey McGovern and Karl Geiger who received the most valuable awards. Karl also received the most improved award of the season.

MacArthur placed first in the Nouvel and Arthur Hill meets with Casey McGovern placing first for the guys and Heather Kahn first for the girls.

MacArthur beat Eisenhower in a dual meet.

In the County meet MacArthur girls placed seventh and the guys placed fifth. MacArthur tied for second in Conference and placed fourteenth in Regionals.

As for the girls team, Michelle Boerma received the most valuable runner and Heather Hoppe received the most improved runner. Six girls out of six received varsity letters. "The cross country team is a great team for a great school," stated coach Pam Durand.

DMHS #1 Spirited Cheerleaders

Varsity: Chris Potts, (co-capt), Tara James, Pam Murphy, Lesli Harvey (co-capt.), Rani Ghose, Heather Perea, Stephanie Myers, and Spring Hoszeska.

Cheerleading takes a lot of hard work, time and dedication. The DM cheerleaders have certainly proven that. At summer camp, the Varsity and Freshman squads qualified for Nationals held in Lansing, Mi. Tara James and Rani Ghose of the Varsity squad went to Nationals to compete in the "individual competition". On February 18th the Varsity cheerleaders went to Regional competition in Birch Run, qualifying for STATE COMPETITION at CMU. At STATE the Varsity squad showed their real talent by giving their best against tough competitors. All in all, the '86-'87 year was a very exciting one and the girls will remember it always!!!!!

To future cheerleaders,

We wish much luck & talent to the squads of DMHS. Always treat your teams right, for that's why we were created! Remember, our spirit will live forever, no matter what the future brings!

VARSITY & JV POM PON

Styles, smiles, and a lot of hard work, are just a few qualifications of what it takes to be a D.M. PomPon girl. Our Varsity Squad of 13 and JV Squad of 20 all meet these qualifications, while at the same time keep us smiling with those high kicks during halftime.

Both squads start out their season in April, when tryouts are held. All through the summer, the girls practice from 6 in the morning until 8, to be ready for camp in the upcoming season. Once football season is under way, the girls keep on practicing to entertain us in Basketball too.

This past August, both the Varsity and JV squads went to the Badgerette camp at Central Michigan University. Both squads did very well with the JV winning the song and spirit competitions, and the Varsity winning the great honor of placing in the top 3 in the originality competition.

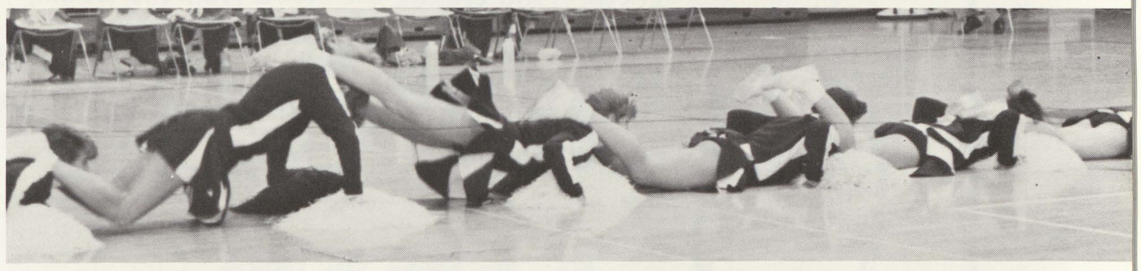
The 13 Varsity girls led by Captain Karin Schrader, and co-captain Amy Dils, performed for football, Basketball, and a few arranged soccer games. They performed to such songs as "Dancing With Myself", "Bad Boy", "She Got Everything", "Shot in the Dark", and "Talk to You Later".

The JV squad led by captain Stacy Lier and co-captain Debbie Zolinski also performed for basketball, football and soccer, to songs such as: "Planet of the Ant Man", "Tell Them That you Won't Go", and "Bandstand".

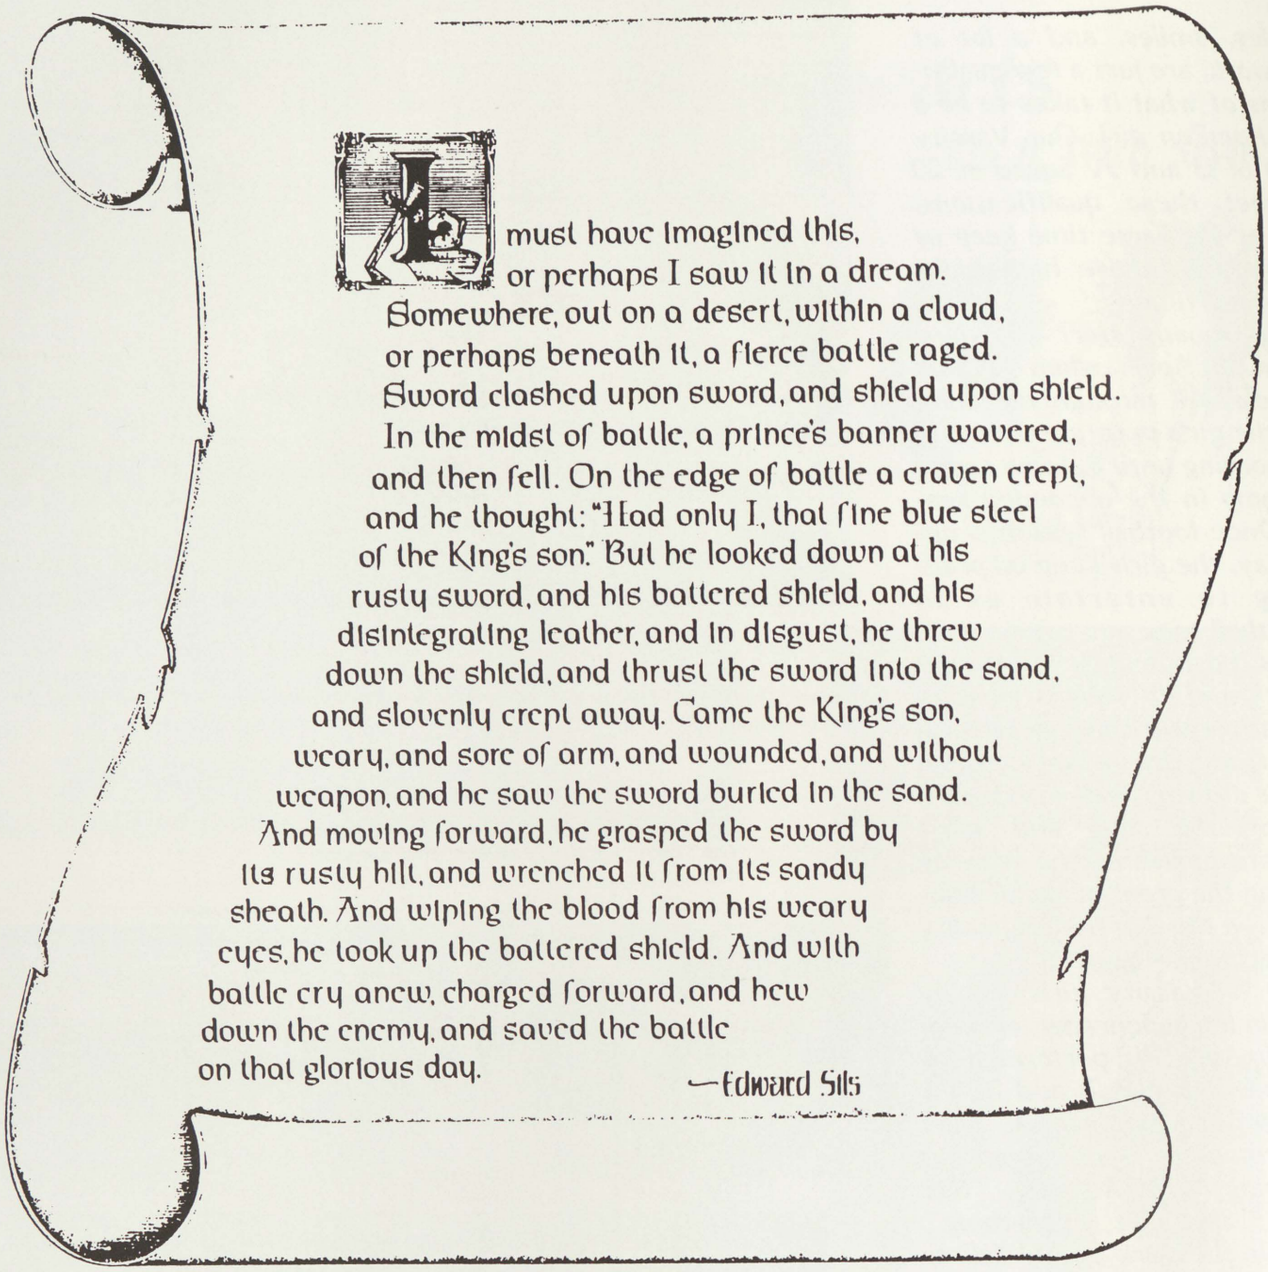
This year the girls were coached by Cathy Crawley and Lisa Newbold. A parent group was also formed to help the girls organize fund raisers and certain projects. All the girls owe a great thanks to these parents and advisors.

J.V. Squad: Caroline Kim, Sarah Dils, Jennie Loeffler, Samantha Gorrie, Heather Shockley, Lynn Olivares, (middle row) Debbie Zolinski, Carolyn Clark, Beatrice Rosalez, Laura Cline, Erin Basner, (back row) Stacey Lier, Amy Kitsch, Julie Samson, Amy May, Mary Harden, Missing: Jenny Behme, Niki King.

Our own Varsity catches the General Wave.



Above: J.V. keeps on smiling during their competition routine.



I must have imagined this,
or perhaps I saw it in a dream.
Somewhere, out on a desert, within a cloud,
or perhaps beneath it, a fierce battle raged.
Sword clashed upon sword, and shield upon shield.
In the midst of battle, a prince's banner wavered,
and then fell. On the edge of battle a craven crept,
and he thought: "Had only I, that fine blue steel
of the King's son." But he looked down at his
rusty sword, and his battered shield, and his
disintegrating leather, and in disgust, he threw
down the shield, and thrust the sword into the sand,
and slovenly crept away. Came the King's son,
weary, and sore of arm, and wounded, and without
weapon, and he saw the sword buried in the sand.
And moving forward, he grasped the sword by
its rusty hilt, and wrenched it from its sandy
sheath. And wiping the blood from his weary
eyes, he took up the battered shield. And with
battle cry anew, charged forward, and hew
down the enemy, and saved the battle
on that glorious day.

THINK BIG!

World Events

The 1986-87 year was filled with sorrow and happiness throughout the world.

Many dedicated actors and actresses died. A couple of the more famous ones were: Cary Grant, and Desi Arnaz. Their work will last forever.

Tragedy struck in Maryland on January 4, 1987 when an Amtrak train traveling at over a hundred miles an hour, collided with some switch engines. This resulted with at least 14 deaths, and over 175 injuries.

President Ronald Reagan for the first time signed a record breaking budget for the United States for over a trillion dollars. Also, investigating committees are on a fact finding mission to see if there is any truth to the accusation that President Reagan knew about the arms that were being sold to a terrorist country. If found guilty of this, they could compare him with the Nixon administration and the Watergate scandal.

A happy occasion in London, was the marriage of Prince Andrew and Sara Ferguson. The ceremony was enjoyed by millions through world-wide networks.

Shuttle Disaster Heads Top 10 Stories List

The ill-fated Challenger flight was the No. 1 choice on a list of the top 10 stories of the year.

Secondly rated was the Iranian scandal which involved Israel and the U.S. casted shadows on the Oval Office. Thirdly, the explosion at the Chernobyl Nuclear plant that killed 31 people, spread radioactivity throughout Europe. Fourth on the list, was the bombing of Libya by U.S. jets to punish Libya for alleged sponsorship. In fifth place, was the uprising in the Phillipines over president Ferdinand Marcos and Corazon Aquino regarding the election there. Sixth was the tax laws. Next, was the Reykjavik summit, ending with much controversy. The eighth event in the poll, was the spread of terrorism. In America the epidemic of cocaine and crack usage struck many young people and the war against drugs was rated ninth. Lastly on the list was the farm crisis and the drop in oil prices.

1986-87 has been a very disasterous year for Saginaw County. Vast flooding from torrential rain dumped record breaking amounts of water on the Saginaw Valley. Wide-spread damage was suffered by residents in our township. Storm drains were inadequate to handle the water which caused backups even into the sewer system. Due to this, Douglas MacArthur school was closed for a week.

Thousands of basements were flooded causing tremendous personal losses plus structural damages to many homes. Local hotels and motels filled rapidly with evacuees. Most of them got out with only a few belongings and were unable to return for weeks. It will take years for some people to recover from the emotional and financial losses they suffered.

The second major event that disrupted the 1986-87 school proceedings was the destructive fire at Dwight D. Eisenhower, which was deliberately set on November 23, 1986. It left Eisenhower students out of school until December 3. They returned not to Eisenhower, but to Douglas MacArthur. 1,100 D.M. students came to school from 7:00 to 11:30 a.m., when 1,100 Eisenhower students then came from noon to 4:30 p.m.

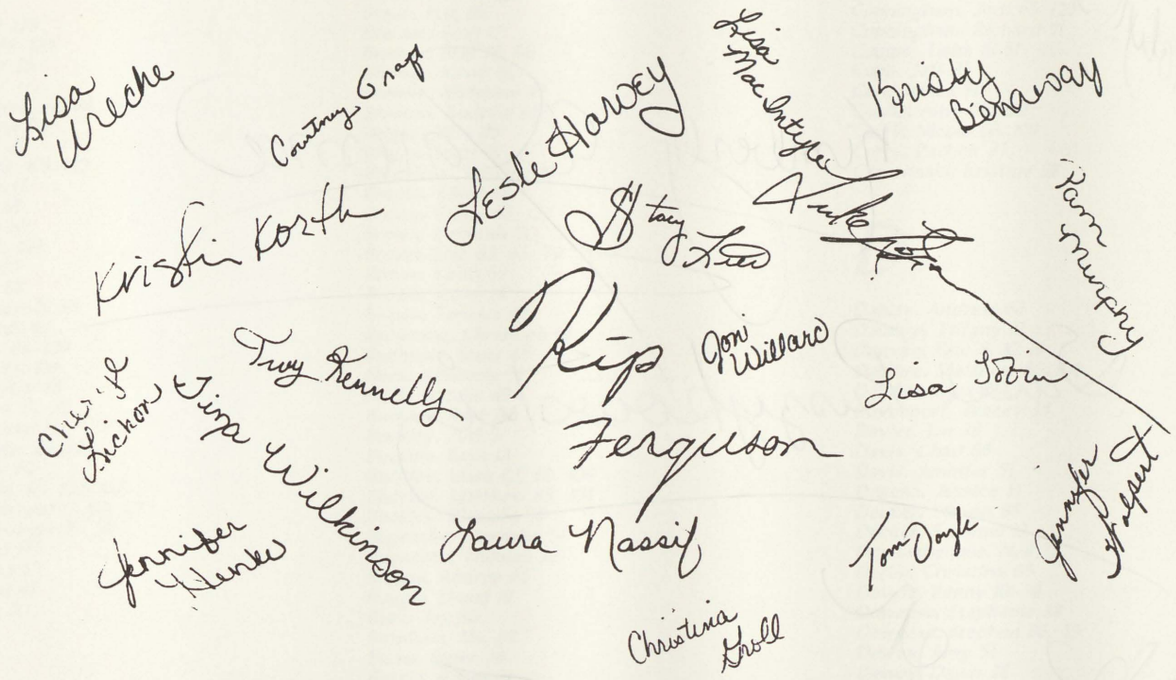
Thank You!



The 86-87 yearbook staff says, "THANK YOU", to our community for all the help and work that they have put into it this past year. We have gone though some pretty tough times and our happy little staff would like to give recognition to those who deserve it.

Not only to say that we appreciate the faculty, but those lucky students and their parents who belong to Douglas MacArthur High for all their efforts in trying to keep our beloved school from utter chaos.

We have experienced the ultimate this year. We have been fortunate in getting a new superintendent, Wayne Vasher, and to him we say, "Welcome aboard." We hope it will be a productive and gratifying experience for all sides.

Generals Caught The Wave In "87"

Coach Pete Kaligian led the Generals for the 16th season. The "87" Generals had the good fortune of returning seven seniors who compiled a 16-8 record last year. The pitching was handled by Dave Spence, Jeff LaFoillie, Dana Richards and Tom Graybill, Mark Maday. Co-Captain, Terry Carpenter, handled the catching duties. Many of the Generals performed well: Dave Spence won the batting title with a .391 average, Terry Carpenter won the Most Valuable Player award, Tom Jacoby was the Most Improved, and Dana Richards the Best Defensive Player. The "87" baseball Generals finished the regular season with a record of 16 wins and 10 loses. Now it is District Tournament Time. Other Generals that performed well were speedster Dave Hays patrolling centerfield, Chris Maday leading off, and Co-Captain — Tom Podsiadlik cleaning up with 9 HOME RUNS and 31 runs batted in. Coach Kaligian is proud of the hard work, dedication and accomplishments of the "87" baseball Generals.

Girls' Soccer

Ending with a winning record of 6-5-3, the Varsity Girls Soccer team, coached by Jim Stone and assisted by Jeff McDonald, have both good and bad memories of their season. Good memories include the upset 2-0 win over Midland Dow. The three losses to Eisenhower rank high on the list of bad memories. The varsity will be saying goodbye to 9 seniors as the team rebuilds with the help of some freshman talent on the JV team.

Receiving three-year-varsity trophies were Amy Dils, Ellen Crane, Chris Groll, Karen Boertman, Maritza Arrout, and Collette Roberson. Captains Sara Morford and Johannah Roberson each received four-year-varsity trophies. Other awards include: Best Offensive Player — Collette R, Best Defensive Player — Maritza A, and MVP — Johannah R. This year the Donna Eureche Memorial Award went to Cheryl Lichon.

The JV team ended their season with a successful 9-1-1 record. Coached by Gregg Laatch, the girls started out strong and kept improving throughout the season. Awards were given to: Amy Currie — MVP, Lisa O'Toole — MVP offense and Abby Tidof — MVP defense.

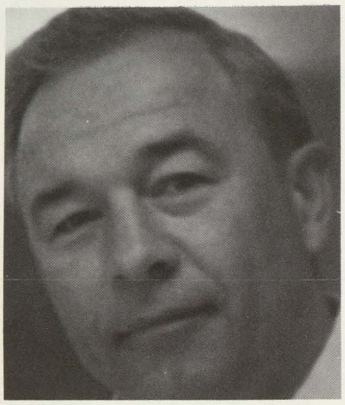
A New Tide



The DM Track Team had a season of improvements for all involved. Overall, the team had a great season. Although their record shows a number of losses, they had a winning season.

Desire and determination were the mottoes of this year's team. They went out on the battlefield to compete and that's exactly what they did, like true Generals of course. The DM team, however, was overshadowed by more experienced teams.

The major part of this year's team were underclassmen. The team was supported by the seniors on the team John Ross and Brian Boyd, who both set personal records.

This year's coaching staff was new to the team but not new to coaching. The coaching team of Roger Hanson, and Bernie Call have a total of over fifty years experience. Every coach's dream is exactly what this year's team was. The team was eager to be trained and ready for the coaches to reveal their potential.

Forensics Team Making

This was a busy year for the 1986-87 Forensics Team; the team doubled from last year, perhaps adding to the affect that the team made. They took second place at the Midland High School meet. They also took second place at Pre-regionals at Ann Arbor Pioneer. The team placed eighth out of 41 competitors at Troy Athens. The biggest and best achievement for the team was achieved when they took second place at state in Class B.

Some of the categories are: Informative, dramatic duo, prose/poetry, radio broadcasting, humorous, and much more. Now you know why we said the Forensics team was making waves.

Academic Tidal Wave

The Academic Olympic team had a great year. The team consisted of captain Mike Rugani, Chris Barrera, Jill Newsted, Nellie Nanda, John Kateel, Mike Molitor, and Susan Ahn, was sponsored by the Saginaw Township Rotary Club. Through hard work and dedication, it was obvious that MacArthur would defeat their tough competition: Nouvel, Eisenhower, and Valley Lutheran. The team's knowledge made it possible for them to answer

questions about science, mathematics, history, literature, current events, geography, religion, art, and many other subjects. The victory over Nouvel at their last meet, made Douglas MacArthur the champions for the fourth consecutive season, and we all know that their ability to reign over all Saginaw Township Schools will last for yet another year.

The 1986-87 school year at Douglas MacArthur brought fun and enjoyment for students involved with the foreign language. The main event of the year was the National Foreign Language Week, which took place April 13 through April 16. Each day of this week was filled with special activities such as volleyball games, hackey sac contests, skits, dress up day, and college sweatshirt day. The week climaxed with food day, decidedly the most popular day of the week. International food delights such as tacos, crepes, kuchle, and pizza were sold by the language classes day. A special feature of this day was created by the Latin class. Mr. Meyer's Latin room was exclusively decorated as an Italian restaurant, complete with Italian music and waiters to give the atmosphere of Old Italy.

Overall a good time was enjoyed by all who were involved with the foreign language department at Douglas MacArthur.

Acting At Its Best

As usual, the plays this year were terrific again, with the great enthusiasm of many fine DM students. The Fall play, *You Can't Take It With You*, was very successful with an outstanding cast, including leads by Allen Ott, Laura Lewis, Pam Murphy, Pat Schaefer, Jason Lichon. Other supporting leads included Laura Winter, Chris Farnum, Gavin Lewis, Tischa Cuomo, Todd Szymanski, and Mike Molitor. This was one of the best plays done in DM's history of drama.

The competition plays were not dominated to the seniors due to some "unexplained circumstance," but this year the FRESHMEN won: Yes, the freshmen won the best play awarded. Best Actor and Actress were Jason Lichon (Sr.) and Laura MacArthur (Jr.), Best Supporting Actor and Actress were Pat Schaefer (Sr.) and Kim Dickinson (Fr.) The Best Set Award was won by the sophomores. Just think, at least every class won something, RIGHT?

The Spring Play, *Bus Stop* had an excellent cast of Tischa Cuomo, Allen Ott, Andy McPhail, Jason Lichon, Laura Winter, Kelly McDow, Mike Eischer and Chris Farnum. Mr. Laundra has been a super director for plays at DM, and we also commend him for his fine acting in other plays around the area. We Love You!

The 1986-87 Douglas Mac Arthur Student Congress played an important part in school life and was the motivation behind many activities. Andy Mehl, president: did an outstanding job in leading the group. With the help of Pam Murphy, vice-president; Heather Perea, treasurer; and Chris Groll, secretary; weekly meetings ran smoothly.

Some of the activities participated in were a Thanksgiving Food Drive, and a Christmas Coats and Toys Drive. Additionally Student Congress donated money to the Children's Zoo for a Llama, to Project Close-Up and to the Yearbook Staff. Homecoming and Spring Fever week aided in school spirit and encouraged students to participate in school activities.

The 86-87 school year was a great success thanks to the help of our advisors, Ms. Burnham, and Mrs. Zuziak.

"This Is The Time To Remember"

May 8, 1987, was "The Time To Remember" as couples gathered at Delta College from 9:30 til 12:30 for the junior-sesnior prom. The junior class spent all day Friday decorating to make prom a memorable event for everyone who attended.

The dance floor was decorated with silver, lavender, and rose colored balloons and champagne glasses with couples' names on them dotted the walls. Couples could be seen walking hand-in-hand in thie courtyard and dancing cheek-to-cheek to the music of "millionair".

The junior-senior prom of 1987 will be remembered by many and for many those memories will be cherished.

Farewell D.M.; Goodbye Yearbook

Well, It's been another successful year for the Itella staff!!!! Although we've had a few major distractions, th entire yearbook staff made it. I want to thank all involved for their hard work and dedication. Without everyone' help we never would have made it through the "great flood" or the fire that sent Eisenhower to our school fo those long three months.

I feel that "CATCH THE GENERAL WAVE" has both its good and bad points. For the most part, I think that th book is a terrific product of a terrific staff. Many thanks to Luke and Company in the darkroom. Without all of thos guys we wouldn't have half the great pictures that our darkroom turned out at the "last minute". Thanks to Par Murphy and all of the others who helped put a lot of memories from the last four years in the yearbook. That took lot of overtime and it is appreciated. Thanks to our very own Douglas MacArthur faculty. They put up with our M & M sale and tolerated photographers dragging students out of classes for all kinds of pictures; thanks for just bein patient with us. Thanks to all of the Douglas MacArthur parents. Without your support and encouragement ther never would have been a football team or a fall play or a science club or cheerleading. Most of our thanks goes t our advisor, Mr. John Rush. Mr. Rush was stuck with yearbook without really knowing what he was getting into. H made a lot of changes including going from a fall yearbook to a spring book with the supplement coming out in th fall. This meant hard work from everyone to make the earlier deadlines, but with Mr. Rush's encouragement w made it. Thank-You Mr. Rush on a job well done!

Good luck to next year's editor and business manager. I hope your experience will be as enjoyable and a pleasant as mine. Best of luck to the entire Itella staff of 1987-88.
